Section 1 - Information and Instructions

The purpose of this form is to submit the required documentation for your FMLA request.

NOTE: You can request a leave of absence under the Family and Medical Leave Act ("FMLA") online at My MTA Portal, www.mymta.info. If you are unable to apply online, you must complete the HR-BEN-028 form 30 days prior to the start of your leave or as soon as possible. See the instructions at the top of the form for how to submit it to your agency.

Please complete Section I before giving this form to your family member or his/her medical provider. The FMLA permits an employer to require that you submit a timely, complete, and sufficient medical certification to support a request for FMLA leave to care for a covered family member with a serious health condition. If this certification is requested by your employer, your response is required to obtain or retain the benefit of FMLA protections. 29 U.S.C. §§2613, 2614(c)(3). Failure to provide a complete and sufficient medical certification may result in a denial of your FMLA request. 29 C.F.R. § 825.313. Your employer must give you at least 15 calendar days to return this form to your employer. 29 C.F.R. § 825.305. If you have any questions, please contact your agency Human Resources Department.

If you have any questions, please contact the Business Service Center (BSC) at 646-376-0123 or bscservice@mtabsc.org.
